(Read communication found on pages 226 thru 228 of the Journal). The lobbyist report will be inserted in the Legislative Journal, that have filed with my office during the past week. Mr. President, your Committee on Government issues a notice of committee hearing, setting one bill for hearing and correcting another one. Signed, Senator Rasmussen, Chairman. Mr. President, notice of committee hearing. The Committee on Committees will meet at 12:00, Friday, January 23rd for the purpose of hearing a series of appointments. Signed, Senator Savage, Chairman. Mr. President, your Committee on Appropriations, to whom was referred LB 82, instructs me to report the same to the Legislature with the recommendation that it be advanced to General File. Signed, Senator Warner, Chairman. Mr. President, the Public Works Committee will meet under the North balcony today, immediately upon adjournment. Signed, Senator Kremer, Chairman. Mr. President, a Reference Committee Report refers LB 311 through 338. Signed, Senator Marvel, Chairman. Mr. President, your Committee on Miscellaneous Subjects, to whom was referred a series of bills, reports notices of hearings. Mr. President, that is all the notices that we have.

SPEAKER LUEDTKE: I have one additional notice. The leaders of the Legislature, in their weekly meeting this morning, agreed with the Speaker that we would continue one more week with the 10:00 a.m. hearings because of the fact that we probably will not generate that much debate on General File. So we will go into the first week of February, that would be the 31st of January, 1st, 2nd, 3rd and 4th of February with 10:00 a.m. hearings. Whether or not we meet on those mornings for full sessions will depend on whether or not we have sufficient work here on the board in the Legislature. But we can continue with our hearings anyway at 10:00 a.m. In the morning till the first week in February, just so all of you are aware of that. Mr. Clerk, I believe there is a motion.
